Council on Foreign Relations **John P. Holdren** ... is believed to be engaged with culling and killing the American people.

**John P. Holdren** is **Obama's** personal appointee to be his science advisor. **Holdren** is a **Malthusian**, like **Rockefeller, Sanger, Kissinger, Hitler, Gates, Bertrand Russell, Panetta, Rothschild** and **Jacques Cousteau**.

**John P. Holdren** is the appointed co -chair of **Council of Advisors on Science and Technology**.

CIA Panetta & Jean Cousteau (chip off the old block)

In the United Nations magazine **UNESCO**, **Jacques Cousteau** called of the elimination of 350,000 people per day.

A participant in the plan is **Henry Kissinger** who called American servicemen "dumb stupid animals to be used as pawns for foreign policy". (Carl Bernstein The Final Days)

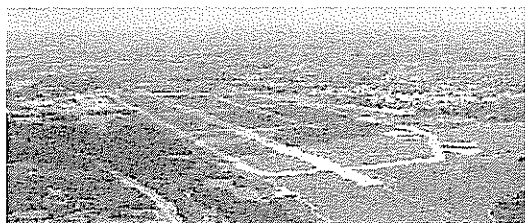

**Holdren** is was trained, funded and advised by those who are actively terminating life under the guise of environmental care. **Chem Trails** (Aluminum / Barium particulates) has overtaken ... mercury laden vaccines and fluoridated water as the weapon of choice as a more effective way to rid the earth of "useless eaters".

The massive air campaign is overseen by **MITRE** ( a "non-profit" run from CIA's home town McLean, Virginia. It is headed by ex-CIA **James Schlesinger** (B, T, CFR) (CIA). **MITRE** coordinates **Homeland Security** , **Department of Defense, FAA**, and the **IRS's** enforcement arm ... the (Federal Reserve).

The "killing apparatus" using particulates is run under changing and different names ... one that seems to stick

is **Project Cloverleaf** out of Wright Patterson air force base where **Operation Paper Clip** began with 1500 Nazis imported to pick up where **Hitler** left off.

(Chemtrails)

**Wright Patterson Air Force base Project Cloverleaf**

Transplanting of **Nazi's** was done by (skull & bones) **Secretary of War Henry Stimson**. Recent **American Intelligence** originated from **Room 3603** an **MI 6** operation that Americans eventually were put (*in charge*). It is the **Cecil Rhodes Round Table group** that spawned the **American Council on Foreign Relations** using the diamond fortune and monies from **Rhodes** secret will.

Wall Street lawyers **William Donovan** and **Allen Dulles** (an incorporator of the CFR) put together the **OSS** that became the **CIA**. The **CIA** has from the beginning been the protection arm of the **Council on Foreign Relations**. The **CIA's** inter core is nurtured and manned by (*skull & Bones*.) Their tomb has Nazi paraphernalia and they are a branch of a secret German society. See **America's Secret Establishment** by Dr. Anthony Sutton.

**Holdren** has been especially groomed as the world's mass executioner. Murder by the mega millions. He received professorship financed by **Teresa Heinz**. Her first husband was son of a *skull & bones* member at Yale in New Haven CT. She is now married to Senator **John Kerry**, Brotherhood of Death from Yale.

**Obama's** personal appointee **Holdren** is the director of the **Belfer Center (oil money)** at Harvard. It got rolling with more money from the **Ford Foundation** ... who's director said their purpose was ... "to so alter the U.S. that it could comfortably merge with the Soviet Union."

The **Belfer Center** which **John P. Holdren** directs has as advisors: **Paul Volcker** (Federal Reserve), **James Schlesinger** (CIA), **Oleg Deripaska** (CEO of the largest aluminum company in the world ... considering **Project Cloverleaf** of spraying aluminum and barium that comes in hand), **Tom Foley** the head of David Rockefeller's Trilateral Commission, **Nathan Rothschild**, chairman of **U C Rusal** the largest aluminum company with his Russian buddy **Oleg** who is the CEO.

**James Schlesinger & Henry Kissinger**

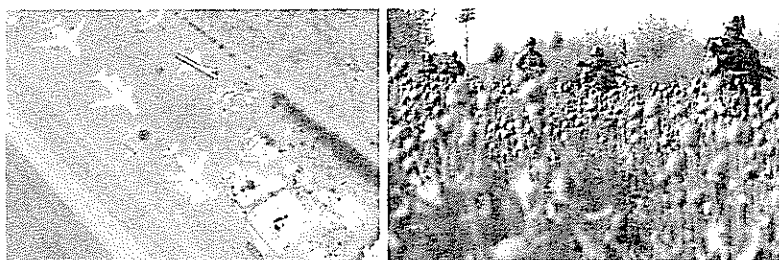

**Obama's** chief executioner **Holdren** has details worked out by his familiar and intimate friends **James Schlesinger** of MITRE. **Holdren** was selected because of his *Mein Kampf* a book ... **Ecoscience**. The book

has multiple plans on how to rid the Earth of most of it's people.

(one meaning of the word **MITRE** means "conjunction") **Leon Panetta** in "conjunction" with **Evergreen International Aviation, FAA, Homeland Security**, and the **DOD** and **Project Cloverleaf** are orchestrating our skies with death dumps that look like white clouds of hope.

**Evergreen Aviation International** had a no bid buyout of **Air American** (CIA) the previous **drug running** planes from the **Golden Triangle** in Southeast Asia and Central American. Today American troops guard the poppy growing in Afghanistan that deliver death and misery to American towns and cities thanks to Rockefeller minion **Panetta** at the CIA and **Napolitano** (CFR) of Homeland Security of which MITRE is an advisor.

The taking down of America all ties together in one big ball of wax. The usual suspects hidden by "their owned media".

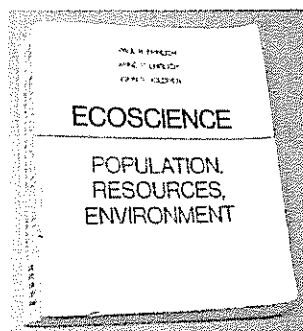

The pretense of calling this programing something to **end global warming** ... is a cover to disguise to a plan to **reduce the population of the planet by 5 billion people**.

The goal is by **any and all** means ... begin with a soft and gradual kill that won't create a stampede by the herd. The people will be ill and caring for their loved ones rather than ending the genocide.

To survive the people must end the madness now.

To end the Frankensteinian nightmare ... one has to **look up** and **wake up**. And relentlessly demand local authorities end the poisoning now. Prosecute the killers through investigation and finding the source of unexplained illness and death.

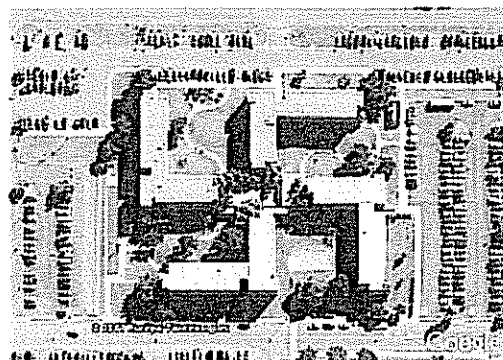

**Ecoscience**

Obama's Mengele, **John P. Holdren** wrote an attack on life itself ... Especially Women

#### **Page 787-8:**

"Adding a sterilant to drinking water or staple foods is a suggestion that seems to horrify people more than most proposals for involuntary fertility control. Indeed, this would pose some very difficult political, legal, and social questions, to say nothing of the technical problems ... it must be uniformly effective, despite widely varying doses received by individuals, and despite varying degrees of fertility and sensitivity among individuals; it must be **free of dangerous or unpleasant side effects**; ... , children, old

people, pets, or livestock."

Navy Barracks San Diego

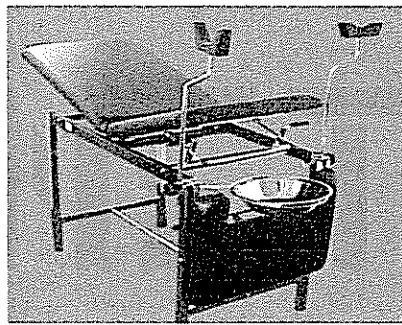

Their Hitlerian holocaust is meant to be kept a secret from the **Women of the World**.

**Josef Mengele**

**John P Holdren**

### **Hitlerian hysterectomy**

Women are an easier target using the Hitlerian hysterectomy for the women of the world. The capacity for women to bear children is to be ripped from the womb. Mothers are to be managed by the state according to Obama's **Herr John P. Holdren** his scientific advisor.

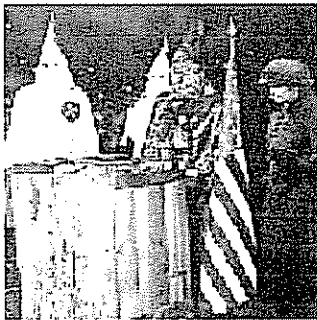

**John P. Holder** apparently aspires to be America's new **Josef Mengele** ... the **Angel of Death**. He writes ...

Page 786-7:

"A program of sterilizing women after their second or third child, despite the relatively greater difficulty of the operation than vasectomy, might be easier to implement than trying to sterilize men."

(coercive fertility control) (need permission from state)

The development of a long-term sterilizing capsule that could be implanted under the skin and removed when pregnancy is desired opens additional possibilities for coercive fertility control. **The capsule could be implanted at puberty and might be removable, with official permission, for a limited number of births."**

**Margaret Sanger** talking before her friends at the **KKK** was founder of **Planned Parenthood** and worked with **Hitler**. And **Senator Prescott Bush** (*skull & bones aka brotherhood of death*) was the national treasurer of **Planned Parenthood**. They will be glad to provide birth control but ... geo engineering and Chemtrails provide a far better solution. Since they intend to convince you it is to protect you from global warming.

The promoters of "global warming" are those funded by those doing the death dumps.

It has been a long time since Holdren wrote his plan for population reduction.

**Hitler's final solution** was gas ... So it seems these **Malthusians** are doing it on a massive scale that really requires a "brotherhood of death" to accomplish. Some of these culprits attend **Bohemian Grove** where one can extinguish one's conscious by participating in the **cremation of care**. It is the **Devils'** version of confession.

MITRE consultant **John Wheeler III** ... it is said *had a conscious*.

**John P Wheeler III** was the former special assistant to the **Air Force Secretary** (CFR), Consultant to **MITRE** Corporation (CIA) was found dumped in a landfill. He was assistant to the Air Force people fired for attaching and flying live nukes from North Dakota to Louisiana.

Daniel Estulin's book **Shadow Masters** (TrineDay) provides evidence to suggest that one **Victor Bout** (gunrunner) was going to be made responsible for a nuclear (false flag) device be exploded in the U.S.

Both **MITRE** and Holdren's conspiratorial **Belfer Center** provide all the raw material for igniting **WWIII** and blaming the unsavory **Victor Bout** for providing a nuclear suitcase to a Middle Eastern terrorist for use in the USA. The recent extension of the color revolutions in North Africa are about radicalizing the Moslem for a **World War III**.

An attack on U. S. soil "a la 911" would cause most Americans to surrender what freedoms they have left while the conspirators proceed on their way to make ... Order out of Chaos. A lightly populated Earth run by with using a New Feudalism. New World Order.

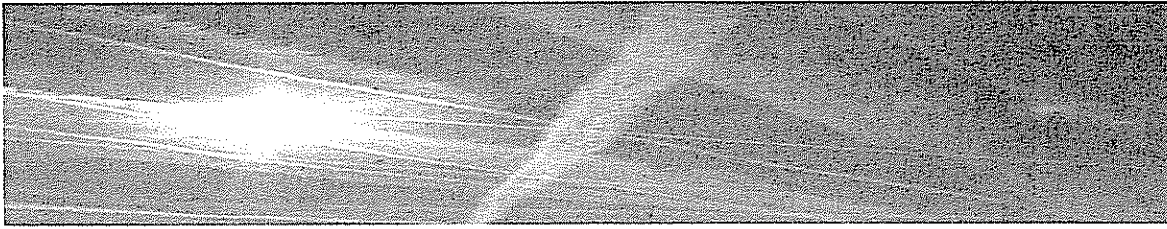

*What was John P Wheeler III doing at the Mitre Corporation? And why was he found murdered New Year's Eve at the Cherry Island Landfill?*

**Cremation of Care**

**Bohemian Grove**

**Is Homeland Security providing "automated bioterrorism testing interface" because "death dumps" killings are becoming a concern?**

**San Luis Obispo Board of Supervisors March 8, 2011 Part of "fusion" process.**

A-5 Submittal of a request: 1) for the Office of Emergency Services to accept FY 2010-11 **Homeland Security** Grant Program funds in the amount of \$636,422; 2) to approve related budget adjustments for the Sheriff-Coroner, County Fire, Public Health, Animal Services and the Office of Emergency Services; 3) to amend the fixed asset list for Public Health to add a software augmentation to provide an **automated bioterrorism testing and resulting reporting interface**; 4) to amend the fixed asset list for the Sheriff-Coroner to add one marine craft radar system; and 5) to approve a contract with Common Cents Systems Incorporated in the amount of \$67,921.98 for the automated bioterrorism testing and results reporting interface; All Districts. **(RECOMMEND APPROVAL AND INSTRUCT CHAIRPERSON TO SIGN.)**

***Date Lines 3/14/2011*** Michigan lawmakers bypass California's fairly successful conning of local authorities via **ICLEI's** slow process of destroying local self government by harmonizing laws under the guise of the environment .

Both houses of the Michigan legislature cut the **Gordian Knot** and have bills that would enable the governor to appoint "emergency managers" – officials with unilateral power to make sweeping changes to cities facing financial troubles.

Under the legislation, the governor could declare a "financial emergency" in towns or school districts. He could then appoint a manager to **fire local elected officials, break contracts, seize and sell assets, eliminate services - and even eliminate whole cities or school districts without any public input.**
